The windows were discussed for the pavilion about possibly Plexiglass or Roll down windows, the cost is expensive. Shane was asked to get a quote on the cost of leveling the pavilion floor. Trees were also discussed throughout the park; some are dangerous and in fear of falling into buildings or someone getting hurt. Shane was asked to get a couple quotes for tree removal. Shane said that he did remove some of the posts on Ringle Rd driveway side and it looks so much nicer, council told Shane to remove the remaining posts. Near the Memorial Shane asked if he could remove some of the overgrown rose bushes there. The council said that he could trim them back and carefully see if they could be removable. C.
